About Telemedicine

Members get 24/7 access to board-certified physicians by phone or video who can diagnose illnesses, recommend treatment, and even call a prescription to a local pharmacy when medically necessary. By using telemedicine instead of going to an urgent care clinic or ER, members cut unnecessary out-of-pocket costs and time wasted in crowded waiting rooms.

Telemedicine Time Savings

With heathPERX:
Average call back time from doctor **<10 min**

Telemedicine Cost Savings

Average cost per episode

+ ER Visit: **\$1,917**

+ Office/Urgent Care Visit: **\$150**

With heathPERX:
